

As a business owner and a member of the Cheddar Village community,
we need your help

We are crowdfunding to raise £12,600 for a project which will
transform the local area

COX'S MILL CLIMBING CENTRE

WHAT?

The historic, delapidated Cox's Mill building will be transformed into a centre for climbing and community-led activities. An indoor climbing wall, soft play area and community allotment will promote physical activity for people of all ages and in all weathers.

WHERE?

WHY?

Cheddar Gorge is a popular location for climbers, but this is dependent on good weather. An indoor climbing centre would allow the sport to be practised all year round, attracting visitors and providing active options for residents. Regenerating Cox's Mill will improve the image of the Gorge as a whole.

“My kids already want to go to the climbing centre for their birthday. This will be an asset to the Village” - David, local resident

“It is important that adults and children can enjoy activities together. This is why the Council pledged £1000” - Teresa, Cheddar Parish Council

HOW CAN YOU HELP?

1. Pledge towards the project! There is no set amount that you need to pledge. Any pledge, big or small, will be a huge help.
2. Give materials
3. Provide skills
4. Advertise the Climbing Centre in your business

WHAT'S IN IT FOR YOU?

- A fantastic new facility in Cheddar, which will attract people to the Village and to your business
- We will feature your business in our monthly newsletter
- An email will be sent to all our friends and followers informing them of your contribution to Cox's Mill Climbing Centre
- An invite to our opening event
- A plaque with your business name and logo will be featured in the entrance to the Climbing Centre

WHEN TO PLEDGE

CAMPAIGN END DATE: 25/09/17
