

Be Bold Local CIL Small Grants Fund - Ward Plans

As part of the City Council's commitment to "Working Together in Birmingham's Neighbourhoods" each ward has Ward Plan for 2018-22. All projects funded via the Be Bold Local CIL Small Grants Fund must be clearly linked to the priorities detailed in the ward for the area you are applying to.

Councillors are currently working with local stakeholders to review the current plans and new plans will be produced Early 2023. Please use the current plans for your application to the Be Bold Local CIL Small Grants Fund. You may also find it useful to discuss your project idea with your local Councillors.
